Dear Parents,

Following statutory guidance, the subject Relationship and Health Education is taught through the programme **Life to the Full**, produced by the Catholic educational organisation, Ten Ten Resources.

The **Life to the Full** programme is based on the structure of 'A Model Catholic RSE Curriculum' by the Catholic Education Service. **Life to the Full** is much more than a series of lessons. It is an entire platform of creative resources that will engage, inform and inspire our children and, indeed, you as parents. This includes interactive video content, story-based activities, employing a wide range of teaching tools, original worship music and an accompanying programme of classroom prayers.

Please find enclosed a short document that will help to give you an overview of the structure and content of the programme.

If you would like further information on the delivery of this subject, please use the following link to sign in to the 'Parent Portal' to view sample lessons and learning content.

**Life to the Full** is intended to be partnership between home, school, and church. We know that you already do a fantastic job and we see our programme, **Life to the Full**, as a means to further develop, support and enrich the partnership between home, school and church so that your child is fully supported.

This programme will be delivered to our children following May half term, whilst we deliver our whole school topic 'Life to the Full'. Therefore, if you have any concerns regarding the delivery of this programme, please do not hesitate to get in touch with class teachers by 14<sup>th</sup> May 2024.

Warm regards,

Mrs P McArthur  
Headteacher
