

Year 2 Art – Summer term 1

Big Question: How can I create maps using various art forms?

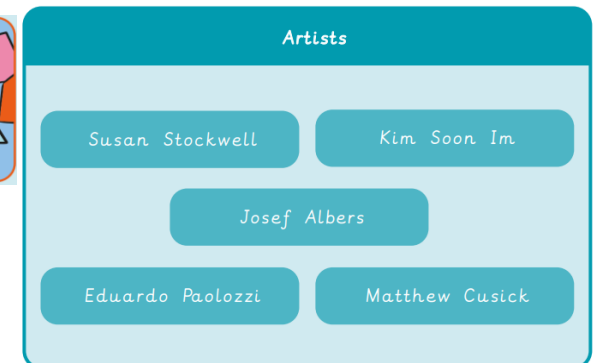

Prior learning: Pupils have studied using collage and different materials in the unit 'Painting and mixed media'

At the end of this topic, pupils will know:

<u>Line of Enquiry</u>	<u>National Curriculum Objectives</u>
1. How can maps be used as a stimulus for drawing?	To use drawing, painting and sculpture to develop and share their ideas, experiences and imagination. About the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work. To use a range of materials creatively to design and make products. To develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space. To use a range of materials creatively to design and make products.
2. How can I make a drawing 3D?	
3. What technique can I use to make an abstract map?	
4. How can I develop my ideas using the skill of printmaking	
5. How can I present and evaluate my work?	

Unit of Learning: Craft and design – Map it out

<u>Vocabulary</u>	<u>Definition</u>
abstract	Art where the subject doesn't necessarily look like it does in real life.
composition	Putting different elements together in a pleasing way
curator	Someone who organises and looks after collections in museums and galleries.
fibre	Threads of wool
Inspired	Feeling very interested and excited by something you have seen.
Negative print	Ink will show the background of the tile rather than the draw lines
Stained glass	Colourful, decorative glass that makes a design
View finder	A tool used to help choose a composition.

As children of God we are loved, we are called, and we are inspired.
