Dear Parents,

Year 6 – Business Week Project

We are excited to let you know that in the coming weeks, our Year 6 class will be taking part in Business Week – a fun and educational project designed to give children a taste of what it's like to plan, create and run their very own small business.

As part of this project, pupils will work in teams to come up with a business idea, design a product or service, manage a budget, and market their creations. Over the course of the week beginning 6th July, children will have the chance to “sell” their items to other children and staff at a special Business Fair held in school.

The aim of Business Week is to help children develop important skills such as teamwork, problem solving, communication, and money management, all while being creative and having fun. The children have been coming up with their ideas in school and have developed a wide range of suggestions.

To facilitate their businesses, we would suggest that each child will need a starting budget of £5.00 to spend. We are grateful for this contribution from parents to the project. This is an investment into their business that will be reimbursed to the children, as their profit from sales will be used to subsidise their end of year trip to Bamburgh on Wednesday 15th July (details to follow).

Please note that whilst children are encouraged to be creative with their ideas for their businesses, there are certain items that cannot be brought into school, such as sugary confectionary and electrical equipment, for health and safety reasons. Furthermore, if any baked goods are supplied, a list of allergy requirements would be needed.

Thank you for your continued support and if you have any queries, please don't hesitate to contact the office.

Warm regards,

Mrs Nicholson and Mr Browne
