Dear Year 6 Parents

I am writing to let you know about a delay to this year's Key Stage 2 (KS2) test results, which affects all schools nationally.

Schools were due to receive results on 7 July 2026. However, Pearson Education Limited, the provider responsible for administering, marking, and returning Key Stage 2 results to schools has informed the Department for Education of a delay affecting the national system used to make results available to schools.

Results will now be available on **16 July 2026**.

I know this is frustrating, and I share that feeling but it won't get in the way of celebrating everything your child has achieved at the end of their primary school journey

Importantly, the delay is not related to the quality of the tests or the accuracy of pupils' results. Test papers have been marked in line with usual processes.

This will not impact your child's transition to secondary school, and no action is required from parents or pupils.

As your child's results form part of their end-of-year report, we are unable to issue the report on **10 July 2026** as originally planned. We will send the report to you as soon as possible after we receive the results on **16 July 2026**.

Thank you for your patience and understanding.

If you have any questions, please contact the school office.

Warm regards
